

Hi-Flo No-Monitor Kit

Water-Powered Nutrient Delivery System

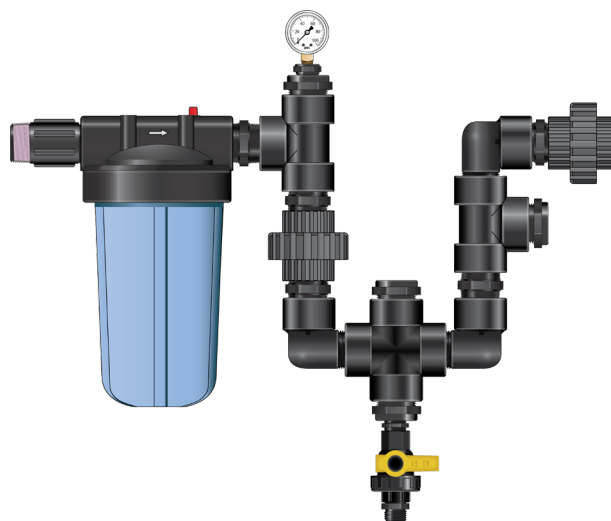

Item Number: **HYKNOMON150**

Specifications

Water-Powered Nutrient Delivery System
No-Monitor Kit contains all the components included in the Monitor Kit except the monitor.

To complete the HI-FLO Nutrient Delivery System, you will also need Dosatron Injectors, the Standard Starter Kit, Mixing Chamber Kit(s), and the Water Hammer Arrestor Kit. This part is also available with a monitor. We also offer the END Kit, an alternative to the No-Monitor Kit.

**Parts ordered may look slightly different than the image displayed, but the fit and function will be the same.
