## Lo-Flo No-Monitor Kit

Water-Powered Nutrient Delivery System

Item Number: **HYKNOMON**

### Specifications

Water-Powered Nutrient Delivery System No-Monitor Kit contains all the components included in the Monitor Kit except the monitor.

To complete the LO-FLO Nutrient Delivery System you will also need Dosatron Injectors, the Standard Starter Kit, Mixing Chamber Kit, and the Water Hammer Arrestor Kit.

This part is also available with a monitor; please call 1-800-451-6628 or CHAT with us for details. We also offer the END Kit, an alternative to the No-Monitor Kit.

\*\*Parts ordered may look slightly different than the image displayed, but the fit and function will be the same.

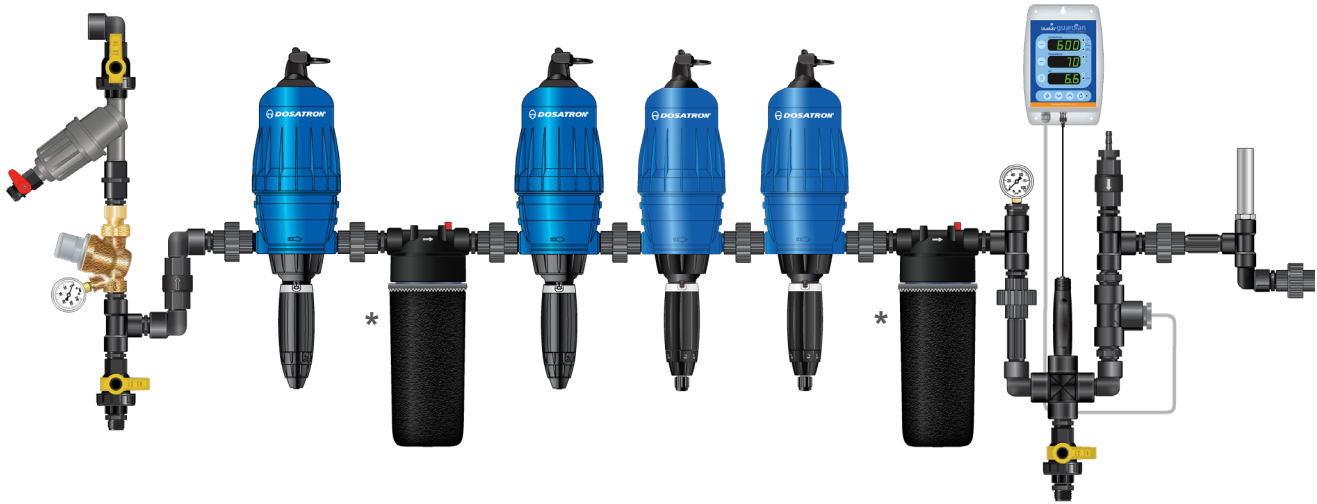

Description	Item #
