

DOSATRON®

An Ingersoll Rand Business

MOBILE SOLUTIONS

Portable Fertilizing and Dosing Systems

With three DosaCart models to choose from, it is simple to have portable, proportional, on-demand dispensing in a wide variety of horticultural applications – from fertilizer to sanitation, and everything in between. Designed with maximum mobility, for ease of hand-watering, spot treatments, and IPM practices. The corresponding plumbing Hook-Up Kits provide an easy, stress-free assembly.

Ideal in dispensing:

- Fertilizers
- Fungicides
- Pesticides
- Algicides
- Disinfectants
- Surfactants
- Sanitation

Part #: HS15-5 ► DOSACART FLEX

*Perfect for spot treatments
*Versatile with various chemical container types, shapes and sizes.

{Dosatron injector and cart hook-up kit sold separately.}

Part #: HS20 ► DOSACART PRO 20G

*Ideal for garden centers and educational institutions
*20-gallon capacity for optimal mobility
*Crash bar, hose-hanger, and clean-out valve included.

{Dosatron injector and cart hook-up kit sold separately.}
